

One of these wants
to be your friend,
the other wants to
molest your bank
account.

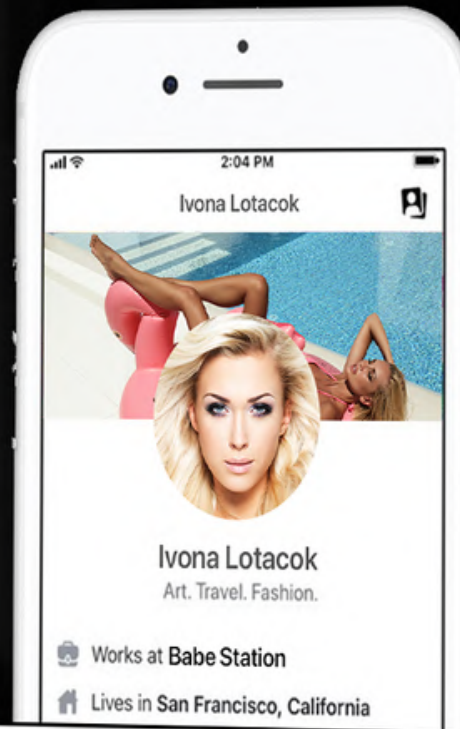

But which one...

...is which?

If she sends you a link,
And on that you do click,
She'll sneak into your phone,
And steal pics of your d*ck.

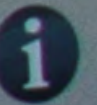

Not everyone is who they appear to be on social media.

This bloke will give you a virus...

...and we don't mean herpes.

Be careful who you connect with on social media.
